DP 646 L= 300 mm

DP 647 L= 400 mm

DP 648 L= 500 mm

- **Prolunga per staffa di fissaggio a parete**

Va applicata alla staffa di fissaggio a parete (art. DP 614) e impiegata nei casi in cui ci sia la necessità di distanziare la canna fumaria dalle pareti verticali.

Elemento non portante.

- **Extension for wall fixing bracket**

It shall be fitted in wall fixing bracket (code DP 614). This is suitable to space the chimney from vertical walls.

Non-supporting element.
