

General information

Round wall air valve DN 125 White

Specifications

Article number	HBGM 01 D125
Product category	Ventilation terminals
Material	Aluminium
Colour	RAL-9010
Weight (kg)	0,174

Application Insights

Application	Ventilation
Supply / Extract	Supply/Extract
Temperature range (°C)	-25 / +80

Technical Specifications

Resistant to ice/rain	Yes
Recommended air flow (m³/h)	60
R-value (m²K/W)	0
Free area (m²)	0,01
Pressur loss (Pa)	24
